

### Update: Suspension of legal terms and deadlines for the Mexican Energy Control Center

---

On April 9, the Mexican Energy Control Center ("CENACE") published in the Federal Official Gazette the *"Agreement that modifies the first article of the Agreement establishing the suspension of terms and deadlines in acts and procedures filed before the Administrative Entities of the National Center of Energy Control, from Thursday, March 26 through Sunday, April 19, 2020"* ("Agreement").

The Agreement provides that the suspension of legal terms and deadlines for acts and proceedings filed before CENACE; will be extended through April 30, 2020.

This includes, all procedures filed before the Interconnection and Connection Request Service System ("SIASIC"), interconnection and connection studies as well as the execution of the respective interconnection and connection contracts.

Also, the reception of Guarantee Instruments referred to in the Fulfillment Guarantee Manual continues to be exempt from the suspension of the legal terms.
